DRAFT OF PROPOSED NSC RECORD OF ACTION

Noted by D/DCI

31 Oct 60

MEMORANDUM FOR: Secretary of State  
Secretary of Defense

SUBJECT: Long-Term Military Assistance Plan

REFERENCES: 1. NSC Actions 2158, 2185, 2187, 2275  
2. Report on Long-Range Military Assistance Plans

The National Security Council, the Secretary of the Treasury, and the Director of the Bureau of the Budget at the \_\_\_\_\_ NSC meeting on October 13, 1960 (NSC Action No. \_\_\_\_\_):

- a. Considered the report on the results of the long-term military assistance planning prepared by the Department of State and Defense.
- b. Concurred in the development of FY 1962 military assistance program requests for the countries covered in the plan in the general magnitude indicated therein, subject to the normal processes of budget review.
- c. Agreed that the underlying intent of NSC Action 2275 to increase the defense efforts of Belgium, Netherlands, Italy and Japan would be carried out by making clear to these countries that future U.S. military assistance will be directly related to appropriate increases in their defense efforts.
